Hi Abbie 4-H members!

During the months of March and April we will be collecting can food for our local food bank. Donating can food is not only important to collect during Thanksgiving and Christmas but is much needed all year long. We would like to collect any nonperishable food items over the next 2 months. If you bring 3 or more can foods you will get a raffle ticket, and at the end of the meeting we will pick a member to win a special prize! So please remember to bring can food to the community meetings on March 3rd and April meetings.

Thank you,

Tim Jannisse and Austin Piombo

Sectional Presentation Day

Sectional presentation day is Saturday April 10th at UC Davis. I strongly encourage you to attend if possible, as this is the next level up from County Presentation Day. I really think you could learn a lot about how other counties are teaching their club members to do their presentations and maybe pick up a few pointers for your next presentation. If you participated in County Presentation Day and received gold on your presentation you are eligible to go on and present at Sectional. If you win gold at Sectional, then you are eligible for State Presentation Day. Every one is welcome to attend and watch the presentations at Sectional and State, even if you are not doing a presentation. The presenters range in ages from nine to nineteen and the presentations promise to be diverse. Sectional presentation day includes all the categories that we have at county and there are more presentations by more presenters. I hope to see many of our members there to support your fellow 4H members and hopefully learn a few tricks and tips in the process.

Nicole Kluncker
