Annual June Potluck By Jesse McMillin

Greetings 4Hers. The next community club meeting on June 4, at 6:30pm, is the annual potluck. We will meet at the Dolores Bengtson Aquatic Park in Pleasanton. It is a really fun event, with great food and games to play. If your last name ends in A - M, please bring a side dish. If your last name ends in N - Z, please bring your favorite cookie, brownie, or bar to share for dessert. Abbie will provide the Hamburger Hotdog BBQ. Hope to see you all there!

BIRTHDAY CORNER!

This month we will celebrate the June birthdays. If your birthday falls in June, please go up to the front of the meeting when it is time to sing "Happy Birthday."

Mini Meeting By Aurora Nicolas

On Saturday May 17th, the mini members met at Alviso Adobe and learned how to make adobe bricks. It was hard because there was so much mud and water that it was very goopy and hard to make. I added straw to the mud mix and mixed it up again. When the mix was hard as playdough I put it in a box to make the brick shape. Then I took it home. It has to dry for 2 weeks, and then I will have my own brick.

Canned Food Drive By Jessica Shipp

Hello 4-H families. We are almost to our goal of 100 canned goods for the year. 15 more cans and we are there! I am happy to donate 5 cans, if you can help out by each bringing a can to make sure we reach our GOAL. I am so happy that there were many families contributing this year to our food bank canned food drive. Please bring the canned goods or non-perishable items to our next club meeting. THANKS!

4H Film Fest By Aurora Nicolas

On Saturday May 17th, I went to the 4H film fest with my family. I got to watch 7 movies. They had snacks between each movie. They showed the movie me and my brother and sister made first. It was embarrassing to be first, but I felt happy when people clapped for us.

“Title-Less” By The Fluffy Bunny

About Our Organization...

Abbie 4-H is part of a nationwide network of 4-H Clubs, which promote the learning of leadership, citizenship, and life skills. It is a place to make friends and share interests, as well as to build confidence and learn responsibility.

Though the various activities offered, 4-H members have opportunities to learn new things and to have experiences that they may not have had otherwise. Among the list of possibilities are the opportunity to experiment, go to camp, go on trips, learn how to care for an animal, and how to preserve food, and much more.
